

EXPECTATIONS LEADERBOARD

ECEL SATURDAY LEAGUE S2

Cross Group Stage | Group A

0 teams | 0 maps | ECEL Platform

Rank	Team	After all maps		
		Average place	total kills	standing

Expected is what the platform thinks this team should do on that map, from their circuit history. They got is the real result. MATCH = on expectation. PERFORMANCE = above. BELOW = under. Place slack +/-2, kill slack +/-3. Grey means not enough history - need 2 games. Expected finish is current form: real matches only, last games any map, place points (BOOYAH max 12) plus kills, newer and bigger cups weigh more, 40% vs tonight's lobby when they already played. Actual standing is the official table. Nothing is invented.
